The Summer Chiller

Rink Side Ice Arena Eleventh Annual ISI Competition
Saturday July 31st, 2010

Events To Be Offered...new this year...HOCKEY and OPEN FS!

Competitors list their age as of August 2, 2010. Depending on actual registration we reserve the right to divide or combine the age groups. The maximum number of skaters allowed in each group is five. This ensures that everyone will win an award. In most events, females will not compete against males. In an event where there is only one entry, the skater will compete "against the book" and place according to the rules of the ISI standards.

Our arena is 200' x 85' with rounded corners.

Competition Rules

The competition will be conducted in accordance with the guidelines established in the latest version of the *ISI Handbook* along with the 2010 Rule Revisions.

All checks should be mailed to Rink Side Ice Arena – 6152 West Grand Avenue (at Gurnee Mills) Gurnee, IL 60031. Mailed entries must be accompanied by check or money order. Cash, check and credit card payments can be made, in person, at Rink Side, in the Guest Services Office.

Entries should arrive (postmarked or delivered in person) no later than Friday July 2nd, 2010

There will be NO REFUNDS ISSUED!!!

Eligibility

All skaters entering the competition must be individual members of and registered with the ISI. All entrants must be registered to their highest test passed with ISI on or before July 2nd, 2010. Members of USFSA, must be a current ISI member, must test and must be registered in events they wish to compete. Pre-Preliminary may compete no lower than Freestyle 3; Preliminary and Pre-Juvenile may compete no lower than Freestyle 4; Juvenile may compete no lower than Freestyle 6. Intermediate may compete no lower than Freestyle 6.

Registration and Music Check in (At Registration Table)

All skaters must register **one hour prior** to their event and must turn in their music (if applicable) at that time. **Cassette tapes** or **Compact Discs** and should be properly labeled with skater's name, home rink, event division, and age on the side to be played. Tapes should be rewound and ready to be played with no more than a 10-second lead. Only one event per tape/CD is allowed. Skaters should always have a second, spare copy of their music. Competitors may retrieve their tapes/CD from the registration table after their event. Four **unsupervised** locker rooms will be available and open for the skaters' use.

Awards 1st – 5th place

Awards will be given to the first through fifth places for all events. All groups will have only five or less skaters to guarantee that every skater will receive an award. **This is to encourage competitive skating and to have a fun, positive experience.**
